Partnering for a More Inclusive Tomorrow

Toward Maximum Independence (TMI) invites you to join us for an inspiring Open House where you'll learn how you or your organization can make a meaningful impact in the lives of individuals with intellectual and developmental disabilities (IDD). Since 1981, TMI has been committed to one powerful belief: disability does not mean inability. We believe everyone deserves the chance to reach their full potential - including opportunities for meaningful work, personal growth, and community involvement.

At our Open House, you'll discover:

- ✔ Who we are and the incredible people we serve
- ✔ How we empower individuals with IDD to lead fulfilling, independent lives
- ✔ The many ways your business or organization can collaborate with us to build a stronger, more inclusive community

Whether you're a business owner, educator, service provider, or community leader, we invite you to explore how you can make a difference. Clients and families, whether you're new to TMI or just want to learn more, you're invited to see how we can support you or your loved one on the path to greater independence.

Light refreshments and entertainment will be provided. Enter to win exciting opportunity drawing prizes! We look forward to connecting with you!
